IDLE TALK

BY THE

TOWN CRITIC

Yesterday we had on the platform in the city hall, a group of people who were not only intelligent but also very well informed on the subject of the city's future.

The group was made up of men and women, and they were all very well informed on the subject of the city's future.

These thirty-four beautiful gems are now on display in the windows of the various Tulsa drug stores. Examine them if you are near enough—but in any case, redouble your efforts. They are valued at from \$25 to \$500—a little extra work now should gain you one of them. Get busy—get your friends busy—the time of awarding these magnificent prizes draws near.

TOO WEAK
TO FIGHT

The "Comeback" man was really never down-and-out. His weakness condition because of overwork, lack of exercise, lack of sleep, and lack of food, had made him too weak to fight.

URGES EVERYONE
TO QUICKLY GET
ON WATER WAGONDRINK OF HOT WATER BEFORE
BREAKFAST TO WASH OUT
POISONS.

To see the tinge of healthy bloom in your face, to see your skin get clear and clear, to wake up without a headache, backache, coated tongue or a nasty breath, in fact to feel your best, day in and day out, just try this simple, yet so effective, method of washing out the poisons.

Before breakfast each day drink a glass of real hot water with a teaspoonful of Epsom's salt. This is a harmless means of washing out the poisons from the stomach, liver, kidneys and bowels. The previous day's indigestible waste, sour bile and toxins, thus cleansed, sweetened and purified, the entire alimentary canal before putting more food into the stomach. The action of hot water and Epsom's salt on an empty stomach is wonderfully invigorating. It cleans out all the sour fermentations, gases and acidity and gives one a splendid appetite for breakfast.

A quarter pound of Epsom's salt placed with very little at the drug store but is sufficient to demonstrate that just as soap and hot water cleanses, sweetens and freshens the skin, so hot water and Epsom's salt act on the blood and internal organs. Those who are subject to constipation, bilious attacks, indigestion, rheumatism, etc., also those whose skin is sallow and complexion pallid, are assured that one week of inside bathing will have them both looking and feeling better in every way—Adv.

here you will be the same hereafter, and don't forget it.

Jesus died to save you—that is, he gave his life to prove the truth of the doctrines he taught, by following which you may be saved. If you don't follow this you won't be saved, and that is all there is about it.

God forgives your past sins when asked to do so, but you have to make good by showing that your repentance was genuine, which you can do only by the record you make subsequent to your repentance.

"Not everyone that saith unto me, 'Lord, Lord,' shall enter into the kingdom of heaven; but he that doeth the will of my Father which is in heaven."

Don't forget this—Pittsburgh Times
